

BAY COMMERCIAL BANK REPORTS SECOND QUARTER 2009 RESULTS

WALNUT CREEK, California – July 27, 2009 -- Bay Commercial Bank (OTCBB:BCML) today announces its 2nd quarter and first half 2009 operating results.

The Bank reported total assets as of June 30, 2009 of \$150.2 million including loans outstanding of \$122.1 million compared to June 30, 2008 total assets of \$98.7 million and total loans outstanding of \$88.1 million. At June 30, 2009, total deposits were \$130.0 million compared to total deposits at June 30, 2008 of \$77.8 million. The Bank's operating income for the second quarter 2009 was \$1,000 or \$0.00 per share compared to net income for the same period in 2008 of \$57,000, or \$0.04 per share. The Bank's operating income for the first half 2009 was \$39,000 or \$0.03 per share compared to net income for the same period in 2008 of \$167,000, or \$0.11 per share.

The decline in operating income for the 2nd quarter 2009 compared to the same period in 2008 of \$56,000 was comprised primarily of higher FDIC premiums by \$89,000, branch acquisition related costs totaling \$45,000 and a higher loan loss provision by \$44,000 related to loan growth partially offset by an increase in net interest margin related to the increase in loans outstanding. Non-interest revenues and expenses in 2008 included revenues and expenses related to equipment leases the Bank held in 2008. The Bank sold the equipment in 2008.

George J. Guarini, Chief Executive Officer of Bay Commercial Bank, stated "Apart from the FDIC special assessments (a one time assessment levied on all FDIC insured institutions for the purpose of replenishing the FDIC insurance fund) and the cost of merging the Castro Valley Office (acquired from Community Banks of Northern California on May 15, 2009), the 2nd quarter operating results are quite favorable. We expect the Bank's operating results to improve as the full effect of the Castro Valley office translates to the bottom line. We remain focused on evaluating capital and acquisition strategies which will allow the Bank to continue to take advantage of today's economic environment."
